FOR IMMEDIATE RELEASE

TLC Eyecare & Laser Centers Sponsorship of: The American Diabetes Association Tour de Cure

WHAT: American Diabetes Association's Tour de Cure, a bicycling event to raise money for research for a cure for diabetes.

WHEN: Sunday June 10th, 2007, Brighton & Saturday June 16th, 2007 Middleville

WHERE: Island Lake Recreation Area Brighton, MI & Yankee Springs Recreation Area Middleville, MI

WHY: Diabetes affects 20.8 million Americans and is the fifth leading cause of death by disease in America. Diabetes complications include heart disease and stroke, kidney disease, blindness, nerve damage, and foot and leg amputations. The

American Diabetes Association's Tour de Cure will raise critically needed funds for research to find a cure and programs that improve the lives of all people affected by diabetes.

WHO:

TLC Eyecare & Laser Centers will volunteer and sponsor these events along with 30,000 cyclists around the United States, bound by a common cause – fighting diabetes for the health of it!

For more information on this and other events please contact Pamela Gillies at (734) 761-2352 or visit www.diabetes.org/tour
