**TLC Eyecare & Laser Centers Launches
INFANT-AT-WORK PROGRAM**

Effective October 1, 2009, TLC Eyecare & Laser Centers announced the launch of their **INFANT- AT-WORK** program. Under this program, new parents will have the opportunity to bring their baby with them to work on a daily basis until the child reaches 6 months of age or until the child begins crawling, whichever comes first. TLC Eyecare understands that during current economical times that managing a home and work schedule can be very challenging for a new parent. "We understand the demands on working parents," says Sue DeMott; Executive Vice President of TLC Eyecare & Laser Centers. "We are excited to be able to offer this program to our employees to allow them to balance work and family during this important time in their child's life".

Since founded in 1979 -TLC Eyecare & Laser Centers offers comprehensive eye care services in many locations across Michigan and Ohio. Services include treatments for diseases of the eye, cataracts, corneal disease, glaucoma, dry eye, macular degeneration, diabetic eye care and laser vision correction. Our medical professionals specialize in a wide array of surgical eye procedures and deliver their services in the finest facilities in the area.

TLC Eyecare & Laser Centers locations include: **Michigan locations:** Adrian, Ann Arbor, Battle Creek, Chelsea, Farmington Hills, Jackson, Kalamazoo and Lansing. **Ohio locations:** Bellevue, Bryan, Sandusky and Toledo.
